GOING DEEPER

LIFE LESSONS FROM MOSES

“POT HOLES, PITFALLS AND PERILS ON THE JOURNEY”

- Consider the different “potholes/pitfalls” that we looked at in this morning’s sermon. What negative attitude do you struggle with the most? What negative attitude or behaviour of others impacts you most negatively?

- Compare Moses’ feelings in Numbers 11 with Elijah in I Kings 18 and 19. What is similar in the way God responded to the depression of Moses and Elijah? Review Jethro’s advice to Moses in Exodus 18. What does it have in common with God’s solution in Numbers 11?

- How do you interpret the actions of Miriam and Aaron in Numbers 12? What made them so negative towards Moses? Have you ever been in the position Moses was in both in Numbers 12 and Numbers 16?

- In Numbers 13 and 14 we discover two contrasting perspectives – “We Can’t vs. We Can”. Identify an area in your life where this tension between perspectives is a current challenge.

- Read the remainder of Numbers and skim through Deuteronomy in preparation for next Sunday.
